

What is the AANR Education Foundation?

It is a 501(c)(3) partner of the American Association for Nude Recreation. This means that tax deductible contributions and bequests may be made to the Foundation by persons, estates, or business entities who wish to fund programs in support of AANR Education Foundation's goals and objectives -- to educate the public about the values and benefits of nude recreation, and to ensure an understanding of nudism and its rightful status as a social and recreational practice.

What are the objectives of the AANR Education Foundation?

The AANR Education Foundation will seek partnerships with individuals, groups and organizations in support of the creation of art, literature, and scholarship, relating to the nudist world, its practices, and the wholesome nature of the human body; will endeavor to develop educated persons and leaders in broad areas of society; and aim to improve people's lives by developing community support for nudist resorts, clubs, groups and areas.

How does one obtain a gift, grant or loan?

Applicants for such must submit a request to the Gifts, Grants and Loans Committee which will report its decision to the AANR Education Foundation Board of Directors.
